**RE: RoHS 2 (2011/65/EU) and RoHS 3 (2015/863/EU)**

To Whom It May Concern,

In June 2011, the European Union adopted the RoHS 2 Directive, repealing the original RoHS Directive 2002/95/EC which has regulated hazardous substances (Pb, Hg, Cd, Cr+6, PBB and PBDE) in new electrical and electronic equipment since June 2006.

Directive 2011/65/EU (RoHS2) continues the restriction of these six substances, and the subsequent Directive 2015/863/EU (RoHS 3) amends the RoHS 2 Annex II to add DEHP, BBP, DBP and DIBP as restricted substances.

This declaration applies to all the Banner products within the listed product code:

| Product code | Description                                      |
|--------------|--|
| 10.1302.1025 | Photoelectric Sensors, Econo-Beam, E&R           |
| 10.1302.1034 | Photoelectric Sensors, Econo-Beam, Glass Fiber   |
| 10.1302.1080 | Photoelectric Sensors, Econo-Beam, Plastic Fiber |
| 10.1302.1081 | Photoelectric Sensors, Econo-Beam, Convergent    |

Banner products within this product code are fully compliant with RoHS 2 and RoHS 3 with Annex III exemption 6(c) for the use of copper alloys containing up to 4% lead by weight, and exemption 7(a), 7(c)-I for lead in electronic components.

| Substance Maximum                     | Limit (ppm)                                   |
|---------------------------------------|---|
| Lead (Pb)                             | 1000 *exemptions Annex III 6(c), 7(a), 7(c)-I |
| Cadmium (Cd)                          | 100   |
| Mercury (Hg)                          | 1000  |
| Hexavalent chromium (Cr+6)            | 1000  |
| Polybrominated biphenyl (PBB)         | 1000  |
| Polybrominated diphenyl ethers (PBDE) | 1000  |
| Bis(2-ethylhexyl) phthalate (DEHP)    | 1000  |
| Butyl benzyl phthalate (BBP)          | 1000  |
| Dibutyl phthalate (DBP)               | 1000  |
| Diisobutyl phthalate (DIBP)           | 1000  |

This declaration has been compiled according to the best information available to us, and according to the laws in force at the publication of the document.
